**HOW TO BECOME A MEMBER OF HADDOCK BAPTIST CHURCH**

Our church receives members in several ways. Those who have never publicly acknowledged Christ as Lord may join by making a public profession of faith. Baptism by immersion will be scheduled for a later date. Church members of other Baptist congregations may transfer their membership to our congregation. Our church office handles the details of contacting your former church. Members of other Christian faith traditions are invited to join by "statement of their Christian faith." Because other traditions vary in belief and practice, those wishing to join in this manner are invited to speak with the pastor before joining to answer any questions.

All members of HBC are expected to commit themselves to attend worship and Bible study regularly, give generously to support the ministries of the church, serve enthusiastically using their God-given talents and live worthily of Christ's calling upon their life. Those wishing to become members are invited to come forward during the hymn of commitment to share their decision with the pastor or schedule an appointment to discuss your decision.
